Holiday Club 23 - 26th August 2022

Holiday Club this year is called 'Diary of a Disciple' and is in the style of 'Diary of a Wimpy Kid', which is a well-known and well-liked children's book. The week explores who Jesus is and the amazing things he said and did, from Luke's perspective. The aim is that at the end of the week, the children can answer Jesus' question: 'Who do you say I am?' in Luke 9:20, for themselves. Please pray into this week, praying that the children leave the club knowing Jesus is real and alive and that He knows and loves them! **We still need a couple more volunteers to help with the children if at all possible!**
